USER STORIES + ACCEPTANCE CRITERIA

Epic: Grading System

User Story 1

ID: US-01
As a teacher
I want to create an assignment
So that I can record students' grades for the created assignment

Acceptance criteria
- Given I am logged in as a teacher
- When I open my class assignments page
- Then I can create an assignment
- And I can set its points, assignment type, andtime window
- And I can save the assignment successfully

User Story 2

ID: US-02
As a teacher
I want to record students' grades
So that students' grades are accurate and up to date

Acceptance criteria

Precondition:
An assignment exists for the selected class

- Given I am logged in as a teacher
- When I open my class grade sheet page
- And navigate to the assignment to be graded
- Then I can record students' grades for an assignment
- And I can save grades successfully

User Story 3

ID: US-03
As a parent
I want to view my child's grades
So that I stay informed

Acceptance criteria
- Given I am logged in as a parent
- When I open the grade sheets page
- And navigate to the assignment to be reviewed
- Then I can see the assignment's grade
- And data is read-only

User Story 4

ID: US-04
As a parent
I want to receive a notification when a grade is below 60%
So that I stay informed

Acceptance criteria

- Given I am logged in as a parent
- When grades are saved
- Then a notification is sent me
- And the notification has the assignment name, class name, and grade.

User Story 5

ID: US-05
As an administrator
I want to conclude the term classes
So that no changes are made by teachers after the final audit

Acceptance criteria

- Given I am logged in as an administrator
- When I open the term page
- And navigate to the current term
- Then I can conclude the term

User Story 6

ID: US-06
As an administrator
I want to generate an end-of-term report card
So that reports are published to the parents' account and merged with the Ministry of Education portal

Acceptance criteria
      Precondition:
      The term is concluded

- Given I am logged in as an administrator
- When I open the admin reports page
- And navigate to the report cards page
- Then I can generate the report card for the grade level
- And I can publish it online
